PROPERTY INFORMATION WORKSHEET

Tell us about your property! The more we know about the condition of your property the better able we'll be to represent you at your hearing. Please fill in one of these forms for each property you want us to represent for you. If you are unsure of any of the information, just leave it blank.

2. What do you feel is the value of the property? 3. When did you purchase this property? 4. If you purchased the property in the last 3 years, how much did you pay? 5. If you purchased the property in the last 3 years, what were the terms of the sale? (i.e. conventional loan, FHA, VA, cash, etc.) 6. Please list any improvements you have made recently that would have caused the value of this property to increase. (Such as putting in a pool, adding a room, etc.) 7. Please list any problems with the property that you feel decreases the value of the property. (Such as foundation cracking, roof needing replaced, etc. If you are experiencing any problems, DOCUMENTATION is important to include so we can share it with the Appraisal District. Documentation can include pictures, engineer reports, repair estimates, etc.) 8. Please list any other information you would like to share with us about the property that you feel would be helpful to us in our effort to determine value. (Such as being in a flood zone, backing up to a rock quarry, having power lines in your background, etc.)
